

2008 Calstar Cellars Pinot Noir, Sangiacomo Vineyard

Sonoma Coast

Vineyard Profile

Roberts Road Vineyard, Sonoma Coast

The Sonoma Coast is a world-renowned growing region known worldwide for its cool-climate Pinot Noir and microclimates that contribute to slow grape maturation and optimum ripeness. The well respected and highly sought after Sangiacomo Vineyard Pinot Noir on Roberts Road is an elegant addition to the Calstar Cellars portfolio.

The Roberts Road Vineyard, located at the northern end of the Petaluma Gap with cobbled alluvial soil and bench deposits, has proven itself to be the ideal location influenced by morning fog, warm days and strong afternoon winds leaving the grapes plenty of hang time and development of distinct flavors.

This premier vintage from the Sangiacomo family's Roberts Road Vineyard enjoys the artful combination of California ripeness and European style.

Winemaker Notes

Dark ruby color with floral undertones and strawberry-spiced, earthy aromatics leading to a fruit-driven entry that yields to firm notes of ripe red cherry with integrated tannins and a long, lively finish.
