

2012 Pinot Noir, Sangiacomo Vineyard

Sonoma Coast

Vineyard Profile

100% Sangiacomo Vineyard
Roberts Road Vineyard, Sonoma Coast

The Sonoma Coast is a world-renowned growing region known worldwide for its cool-climate Pinot Noir and microclimates that contribute to slow grape maturation and optimum ripeness. The well respected and highly sought after Sangiacomo Vineyard Pinot Noir on Roberts Road is an elegant addition to the Calstar Cellars portfolio.

The Roberts Road parcel of the Sangiacomo Vineyard is located at the northern end of the Petaluma Gap with cobbled alluvial soil and bench deposits. This location has proven itself to be the ideal site for Pinot Noir, influenced by morning fog, warm days and strong afternoon winds leaving the grapes plenty of hang time and development of distinct flavors.

This vintage from the Sangiacomo family's Roberts Road Vineyard enjoys the artful combination of California ripeness and Burgundian style.

Winemaker Notes

Bright ruby violet color carried by lovely aromas of rich, ripe blackberry, cassis liqueur, black licorice, fine leather and rhubarb. A hint of gamey roasted meats give the wine immediate complexity and interest. On the palate, the wine follows the nose with dark marionberry and black plummy flavors. Juicy acidity provides balance for the round, soft tannins and lingering finish of cola, coffee and sweet oak.

-Proprietor & Winemaker, Rick Davis
