

2013 Rosé

Vineyard Profile

100% Pinot Meunier, Christina's Vineyard
Russian River Valley

Winemaker Notes

Delightfully tropical on the nose; peach, golden delicious apple, strawberry and mango with rosewater and undertones of warm cinnamon and vanilla. Secondary notes of banana, fresh hay and papaya round out the already ripe and fruit-forward glass. Medium bodied, with some dry extract and fresh strawberry-like tannins filling out the mouth. Fruit driven acidity: tropical mango, tangerine and cherry balance out the aromatic and opulent finish. This bottling begs for food with its broad mouthfeel with a counterbalance of citrus. A great example of what the Russian River Valley can produce with lesser known varieties.
