The Sonoma Coast, a world-renowned growing region southwest of the Russian River and just six miles from the Pacific Ocean is known worldwide for its cool-climate Pinot Noir and microclimates that contribute to slow grape maturation and optimum ripeness. Small lots of fruit were sourced from three exceptional Sonoma Coast and Russian River Valley vineyards exclusively for Calstar Cellars Sonoma Coast Pinot Noir.

A blend of six vineyards, this bottling includes vineyards heavily influenced by coastal weather through the Petaluma Gap and San Pablo Bay, as well as warmer sites along the banana belt of northwestern Russian River Valley.

Winemaker Notes

Bright ruby violet, the wine leads with juicy fruit on the nose: cranberry, raspberry and pomegranate. Notes of dark, unsweetened chocolate, bay leaf and sweet baking spices round out the profile. In the mouth, the light body is carried by ripe, big red fruit notes that follow the aromas. There is an impression of sweetness from the cola and vanilla notes but the wine is totally dry. A long, juicy finish of strawberry, coffee and cherry rounds out the wine and brings the fruit into balance.
