The Sonoma Coast, a world-renowned growing region southwest of the Russian River and just six miles from the Pacific Ocean is known worldwide for its cool-climate Pinot Noir and microclimates that contribute to slow grape maturation and optimum ripeness. Small lots of fruit were sourced from eight exceptional Sonoma Coast and Russian River Valley vineyards exclusively for Calstar Cellars Sonoma Coast Pinot Noir. The sites span the depth and width of the appellation – from the cool Green Valley knoll of Halleck to the Petaluma Gap site of Sangiacomo – bringing great complexity and cellaring potential to this bottling.

Winemaker Notes

Deeply scarlet ruby in color, the 2013 Sonoma Coast Pinot Noir showcases the best of a spectacular vintage. On the nose, quintessential aromas of dried cherry, raspberries and black tea are highlighted by spiced orange, cedar and red Santa Rosa plum. The ripeness of the vintage is balanced by bright stone fruit acidity and refreshing minerality – an undertone of toasty oak and sweet spice brings the palate into focus. Fine grained, yet coating, tannins and strawberry spice finish make this Pinot Noir an easy match for almost any food pairing.
